

Water Rules!: Stormwater Compliance

Annual NEFAEP Conference
Thursday, May 13, 2010, 8:00 am – 4:00 pm
FSCJ Kent Campus – Building D, Room 120
3939 Roosevelt Boulevard, Jacksonville, Florida 32205

The Northeast Florida Association of Environmental Professionals (NEFAEP) is partnering with the Florida State College at Jacksonville (FSCJ) to present our 2010 Spring Conference: *Water Rules! Stormwater Compliance*. Join us as stakeholders from industry, government, consulting, grass roots organizations, and the general public meet to discuss stormwater compliance issues and research developments.

Registration and Continental Breakfast – 8:00 am - 8:30 am

Morning Session – 8:30 am – 12:00 pm

Welcome & Opening Remarks – Mitzi Vergenz, NEFAEP President

New Stormwater Rule (Numeric Nutrient Limits, Pre-development Volume-based Hydrology), Erosion and Sediment Control, and Hormone Disruptors – Chip Carwell, Senior Engineer, Golder Associates

Stormwater 101: Local Impacts of Stormwater, Compliance Monitoring, and Enforcement – Jeff Martin, Florida Department of Environmental Protection

Break & Networking

Low Impact Development – Vincent Seibold, Chief, Environmental Quality Division, Environmental & Compliance Department, City of Jacksonville

Stormwater Pollution Pathway Analysis for use in Best Management Practices Development – Wayne Holt, Environmental Director for Atlantic Marine Florida, LLC

Lunch – 12:00 pm – 1:30 pm

Scholarship Presentations

Overview of FSCJ Environmental Program – Dr. Phillip Petersen, Professor of Biology

Afternoon Session – 1:30 – 4:00 pm (with Break & Networking)

Research Developments at the University of Central Florida's Stormwater Management Academy – Erik Stuart, Research Coordinator, University of Central Florida

The Conference is NEFAEP's annual fundraising event to sponsor local college scholarships. Since 1999, NEFAEP has annually donated scholarships to deserving students at FSCJ, Jacksonville University, and the University of North Florida, who are pursuing careers in the environmental field. **Proceeds from this event will go towards the NEFAEP Scholarship Fund.**

2010 NEFAEP Conference Sponsor/Exhibitor Form

Dear NEFAEP Supporter:

The Northeast Florida Association of Environmental Professionals (NEFAEP) is partnering with the Florida State College at Jacksonville (FSCJ) to present our 2010 Spring Conference: ***Water Rules!: Stormwater Compliance***. The conference will be held **Thursday, May 13, 2010** at the **Florida State College at Jacksonville's Kent Campus**. Join us as stakeholders from industry, government, consulting, grass roots organizations, and the general public meet to discuss air quality issues and innovative energy initiatives.

We would like you to assist as a SPONSOR or EXHIBITOR. SPONSORS & EXHIBITORS will be recognized for their contributions in our Program booklet and on our website. EXHIBITORS will be able to showcase their company's services throughout the Conference via an exhibitor area and will receive one complimentary admission to the conference. The SPONSOR fee is a minimum of \$100. The EXHIBITOR fee is \$200. Proceeds from this event will go towards the **NEFAEP Scholarship Fund**.

NEFAEP appreciates your company's support in providing scholarships to deserving students at FSCJ, Jacksonville University, and the University of North Florida, who are pursuing careers in the environmental field. Please email me at sue.m.wilcox@usace.army.mil or call 904-232-1115 if you have any further questions.

Sincerely,

Sue Wilcox
Sponsor Manager
